ACOLYTE RESPONSIBILITIES

- Acolyte should arrive by 9:15 a.m.
- Acolyte should take their lighter and walk to the narthex where the usher and Elders are located.
- Acolytes stand in the back and greet members as they walk in.
- At 9:20, an Elder will walk to the back with the acolyte to ignite the lighter.
- The acolyte will light the Christ candle (when instructed to do so on that Sunday by Pastor or an elder), which is located near the pulpit and crucifix cross and then light the candles on the altar, starting with the communion candles and working his/her way from the top of the candles down to the bottom.
- Acolyte will bow before entering and when exiting the chancel (the area where the altar is located).
- Acolyte may sit with family during the service.
- Acolyte will extinguish the candles on the altar after announcements, starting with the bottom candle and working up, ending with the two communion candles. Light the lighter with the Christ candle's flame, extinguish the Christ candle, recess to the narthex, and extinguish the lighter upon exiting the sanctuary.
- Finally, return lighters back to the appropriate place.
